SANDCASTLE VILLA

LIMESTONE BAY, ANGUILLA

Sandcastle Villa is a majestic Tuscan-inspired estate by Anguilla's stunning North shore. Perched on a lush tropical hillside, the property extends down to a secluded stretch of pristine white sands. Sweeping views of the ocean horizon display a beautiful gradient of blue hues from the estate's vantage point.

A glorious blend of Island beach architecture and Tuscan villa opulence, Sandcastle Villa emphasizes space and dimension with 10,000 sq ft of living space between five bedrooms and a kids lounge. The dining room and kitchen abound in a distinct European high culture sensibility. An elegant formal dining room is defined by glorious marbled stone floors, pristine neo-palladian pillars, rich dark wood accents, and regal tray ceilings. Elsewhere Caribbean beach house charm melds with old-world aristocratic panache. The sitting room presents high vaulted ceilings, arched doorways, grand piano, and 19th-century style sofas popping beneath a crystal chandelier. Sumptuous bedrooms leave nothing to chance, with a master suite flaunting Kreiss furniture and an extensive private balcony.

The outdoor space is simply superb. The Villa offers a "Zen Den" located directly on the beach for afternoon schmoozing on the shores. Gloriously covered balconies are embraced by regal arches, overlooking a stunning enclosed pool deck with an adjacent gazebo. Excellent beach views stretch 180 degrees, beckoning al fresco dining with loved ones in the balmy tropical evening.
