VILLA KISHTI ON MEADS EAST AND WEST

MEADS BAY, ANGUILLA

Villa Kishti on Meads East and West is an astounding seafront estate comprising two ultra-chic properties. Perched side by side by the pristine white sands of Meads Bay, the luxury vacation rental commands some of the West Indies' most magical stretches of coastline. Poised within walking distance of shops and fine dining, Kishti is attuned to Anguillan luxury living at its most refined.

Designed by renowned firm Cecconi Simone, the interiors of the two villas are memorably stylish and comfortable, presenting a delightful fusion of scintillating beach glamor and subtle exoticism. Each estate features an expansive great room gracefully melding the living room, dining area, and kitchen into an expansive terrace via retractable glass walls. Sleek lines and crisp vertices define dazzling cosmopolitan spaces. Gorgeous wood cladding enhances the elegant white-washed interiors, with louvered accents complimenting the great room's crisp linen upholstery and slipcovers. Wide openings collapse the distinction between indoor and outdoor space accounting for a full sensory experience in spaces perpetually wafted by fragrant trade winds. Wide paneled Oak flooring, neutral upholstery, and hurricane lanterns impart a delectable organicism and zen-inspired harmony to these lavish beachfront estates. There are six bedrooms in the east Villa and five in the west, each with king beds and luxuriant en-suite bathrooms. A focal master suite flaunts an enchanting garden shower, while each bedroom envelops guests in a world of impenetrable beachside calm.

There is no shortage of spots to take in the splendor of Anguilla's turquoise shores. Indulge in the bodily bliss of the infinity swimming pools and hot tubs, or explore the bay with sea kayaks, snorkeling equipment, and stand-up paddleboards. A grill beckons the savory aromas of the freshly caught seafood and a romantic candle-lit veranda serenaded by the soothing Caribbean surf.
