VILLA NEVAEH

LONG BAY, ANGUILLA

Villa Nevaeh is an enchanting Balinese-style beachfront estate nestled along the legendary sands of Long Bay, Anguilla. Set across more than an acre of meticulously manicured tropical gardens, this exceptional retreat offers a rare sense of barefoot luxury just moments from a pristine half-mile stretch of white sand beach. Surrounded by swaying palms, lush landscapes, and uninterrupted Caribbean views, Nevaeh creates an atmosphere of complete serenity, privacy, and effortless island living.

Inspired by Javanese island architecture and Far East Zen traditions, Villa Nevaeh presents a harmonious blend of exotic elegance and contemporary sophistication. Antique Balinese temple doors lead into a tranquil Japanese-inspired courtyard, while bright, airy interiors showcase refined craftsmanship through crisp off-white tones, rich chestnut timber accents, and expansive glass openings. High ceilings and retractable doors seamlessly connect the indoor and outdoor spaces, creating a natural flow ideal for both intimate gatherings and grand entertaining. The estate offers nine beautifully appointed bedrooms across the main residence and private guest house, accommodating up to 20 guests. During much of the year outside peak periods, Villa Nevaeh may also be reserved with five to nine bedrooms, providing exceptional flexibility for different group sizes while maintaining the same level of comfort and exclusivity.

The outdoor spaces embody the ultimate Caribbean retreat, with shaded lounges, sun-filled terraces, and a spectacular infinity pool cascading into a grotto below. Surrounded by lush gardens, the estate also features sports courts, a hot tub, a private path leading to Long Bay, a golf simulator, and a fitness center with Pelotons, ensuring every stay is filled with relaxation, recreation, and unforgettable moments.
