APARTMENT JAMES ALBANY

NEW PROVIDENCE ISLAND, BAHAMAS

Apartment James Albany is an architectural marina residence in the prestigious Albany community of the Bahamas—a modern coastal oasis defined by its sleek geometry and panoramic oceanfront views. Set within the celebrated Honeycomb building, designed by Bjarke Ingels Group, the residence embodies refined island living with contemporary elegance. Crafted with glass, stone, and marine-inspired tones, it offers an unparalleled connection to the marina and ocean, making it an exceptional retreat for those seeking privacy, sophistication, and resort-level indulgence within an exclusive enclave.

Inside, the residence reveals an open, sun-drenched layout of 3,771 air-conditioned square feet and 1,244 square feet of terrace space. The design merges natural light with soft coastal hues and luxurious finishes, where floor-to-ceiling glass walls capture sweeping views of the marina and golf course. The living area is designed for both relaxation and entertaining, furnished with custom seating and modern art. A contemporary kitchen, equipped with Sub-Zero and Wolf appliances, opens to a dining area that flows seamlessly to the terrace. Four serene bedrooms include a master suite with a private sitting area and spa-like bath, along with three guest rooms, each with an ensuite bathroom and a king bed (one configurable with twins). Additional features include a dedicated office, designer marble floors, and integrated smart-home systems. Residents enjoy full access to Albany’s premier amenities, including daily housekeeping, 24-hour concierge, and a private golf cart.

The expansive terrace defines effortless outdoor living with a private pool, summer kitchen, and alfresco dining overlooking the marina. Enveloped by tropical breezes and turquoise waters, the residence evokes serenity and exclusivity, blending architectural mastery with Bahamian beauty. Whether savoring sunsets over the ocean or entertaining under starlit skies, Apartment James Albany offers an extraordinary expression of luxury island living.
