VILLA LEON

MOUGINS, CANNES

Villa Leon is an extraordinary coastal retreat overlooking the Mediterranean in the exclusive hills of Mougins on the French Riviera. Positioned within a peaceful and secure enclave, the estate combines commanding panoramic sea views with sleek contemporary architecture, expansive terraces, and refined natural finishes. Designed for grand-scale entertaining and restorative escapes alike, the residence offers exceptional privacy, remarkable proportions, and seamless access to the glamour of the Cote d’Azur.

Inside, the 12,917 square feet residence presents a sophisticated composition of soft neutral palettes, pale oak flooring, sculptural marble, and floor-to-ceiling glass framing the coastline beyond. Vast reception salons are arranged with oversized bespoke seating, understated contemporary decor, and elegant indoor-outdoor flow. The professional-grade kitchen features expansive marble surfaces, premium stainless-steel appliances, and generous preparation areas suited for private chefs and catered gatherings. Adjacent dining spaces transition effortlessly onto panoramic terraces for open-air entertaining. The estate accommodates up to 22 guests across 11 double en-suite guest bedrooms. Spacious bedroom retreats are finished with luxurious linens, serene textures, and spa-inspired bathrooms clad in dramatic marble. A wellness sanctuary elevates the experience with a sauna, hammam, fitness room, massage rooms and a private hair salon.

The landscaped grounds unfold across vast sun-drenched terraces with a spectacular heated swimming pool overlooking the Riviera coastline and distant mountains. A fully equipped pool house, outdoor jacuzzi, summer kitchen, bar, and multiple lounge areas create an atmosphere designed for long Mediterranean afternoons and elegant evening entertaining. Just minutes from the beaches, airport, and celebrated villages of the region, Villa Leon evokes the rare feeling of complete seclusion suspended above the sea.
