CHALET CELINE

COURCHEVEL 1850, COURCHEVEL

Villa Chalet Celine is an exceptional alpine retreat, situated directly on the slopes of Courchevel 1850, offering access in one of the world's most prestigious ski markets. Conceived as a contemporary mountain residence, the chalet is crafted from aged wood, natural stone, and expansive glass that frames forest and snow-covered views. Set within a secluded mountainside setting, this luxury vacation rental combines architectural drama with rare privacy.

The interiors unfold across approximately 8611 square feet and reflect a refined alpine aesthetic that blends modern design with artisanal craftsmanship. Natural woods, textured stone, sculptural lighting, and bespoke furnishings create a warm yet striking atmosphere throughout the chalet. The double-height living room is anchored by a dramatic fireplace and generous seating, ideal for apres-ski gatherings. A fully equipped kitchen and elegant dining area are designed for convivial entertaining and chef-led experiences. Chalet Celine features seven bedrooms accommodating up to 15 guests, all designed with plush linens and serene palettes, including family-style configurations suited for multigenerational stays. Wellness and entertainment amenities include an indoor swimming pool, hot tub, fitness room, cinema room, and table tennis, complemented by discreet full-service offerings.

Outdoors, the chalet is surrounded by snow-laden trees and alpine landscapes, enhancing its sense of seclusion and calm. A garden terrace and outdoor spaces invite moments of fresh mountain air between ski sessions. Panoramic forest and mountain views set a tranquil backdrop for winter and summer pursuits alike. Chalet Celine evokes the feeling of a private alpine sanctuary, balancing adventure, wellness, and understated luxury in the heart of Courchevel 1850.
