CHALET MALENA

COURCHEVEL 1850 CHENUS, COURCHEVEL

Chalet Malena is an exceptional alpine residence set within the prestigious Chenus area of Courchevel 1850. Spanning approximately 8,600 square feet across six meticulously designed floors, this chalet embodies refined mountain luxury at its highest level. Its privileged location places it moments from Courchevel's most renowned luxury hotels and Michelin-starred dining, while remaining easily accessible via a seamless two-hour drive from Geneva or Lyon international airports.

Designed to host up to twelve guests in absolute comfort, the chalet features six elegant bedrooms with beautifully appointed bathrooms. The ground level offers a refined entrance, ski room, professional-grade kitchen, and laundry facilities. The first floor is dedicated to private accommodation, anchored by a serene primary suite with access to a south-facing terrace, alongside four additional bedrooms, including a children's room with four beds and a dedicated games area. The second level forms the social heart of the chalet, with an expansive living and dining area centered around a statement fireplace and opening onto a generous terrace. A fully equipped kitchen and an intimate bar with wine cellar complete this level, creating an inviting setting for refined après-ski gatherings. The top floor is reserved for a second master suite, featuring a television lounge, dressing room, office space, and access to a spacious balcony with sweeping mountain views. Below ground, Chalet Malena reveals a world-class wellness and entertainment retreat, with an indoor swimming pool, sauna and hammam, massage room, gym, cinema room, games room, bar, and private disco area.

Multiple terraces and balconies extend the living spaces outdoors, with the most striking accessed from the main living level. This expansive terrace enjoys south-west views over the surrounding peaks and offers a serene setting for unwinding amid the alpine panorama.
