VILLA LA COSTA

CAP MARTINET, IBIZA

Villa La Costa is a sleek architectural villa that stands among Ibiza's most exclusive properties, perched in the prestigious Cap Martinet, with sweeping sea views over the Mediterranean. Expansive glazing and clean-lined design embrace the residence, creating an oasis of contemporary calm just a short drive from Ibiza Town's vibrant restaurants and nightlife. In proximity to the island's finest beach clubs and boutiques, Villa La Costa embodies the effortless glamour of Ibiza luxury living.

Sleek lines and crisp vertices make up thoroughly modern, lustrous interiors furnished with chic monochrome upholstery throughout. Glorious floor-to-ceiling windows flood the great room with natural light, framing panoramic sea views from the sunken lounge and formal dining area alike. A striking black stone kitchen with a full-length breakfast bar is the envy of any home chef and is outfitted with premium integrated appliances. Six ensuite bedrooms accommodate up to twelve guests in utmost comfort and style, each individually appointed with plush textured bedding and glazed walls that open onto private terraces or garden views. A fully equipped gym, media room, and table tennis setup round out the villa's indoor recreation, while a well-stocked bar caters to guests who want for nothing.

The exteriors flaunt an exceptional heated infinity pool embraced by sunbeds, with a rooftop terrace presenting the ultimate venue for nocturnal entertaining beneath the Balearic sky. A firepit and outdoor bar set the scene for evening gatherings, while the private basketball court and artificial turf add a playful edge to the grounds. A jacuzzi, outdoor kitchen, and sweeping sea views set Villa La Costa apart as one of Ibiza's premier luxury vacation rentals.
