BELLEMONT ESTATE

MONTECITO, SANTA BARBARA

Bellemont Estate is an exquisite Mediterranean-styled Santa Barbara estate. This gorgeous hacienda is nestled in a prestigious residential area only steps from the most beloved hiking trails and a short drive from Coast Village. Only minutes from the bustle of Santa Barbara, Bellemont Estate presents the best of Southern California luxury living, fusing natural immersion with vibrant cultural life. Its discrete location at the end of a private lane affords the residence unparalleled privacy and tranquility.

This Spanish colonial hacienda beautifully combines Mediterranean sophistication with coastal California comfort. Pristine rounded edge white interiors appear sculpted out of fine Meerschaum in the gorgeous atrium, while delicate iron wrought detailing and decorative Azulejo ceramic tiles impart a distinct Iberian character. This home is defined by gorgeous exposed beams and wood-paneled accents embellishing the space with its distinctive warmth and touch of old-world rusticism. A showstopping pared-down provincial style open kitchen flaunts a modern edge, while terracotta tile flooring and rattan stools stay true to the home's earthy palette. Bellemont Estate flaunts extensive spaces for gathering from the dramatic living room, formal dining area, and library. An extensive walk-in wine cellar and wellness studio are perfectly attuned to the California lifestyle of recreation and indulgence. Three exemplary bedrooms accommodate guests in the main residence. A fantastically autonomous on-site pool house offers two further bedrooms, maximizing lodging versatility, independence, and comfort for each guest. The home can accommodate up to 12 guests between its five bedrooms spread across 6200 square feet. Additional accommodation is available in the media room which features a sofa bed.

The exteriors present the perfect oasis of rejuvenation, with a gorgeous native stone deck embraced by lush local foliage. Well-manicured lawns and gardens convene around the central pool, while a jacuzzi is nestled in the serene forested area. A world of bodily bliss awaits nestled amongst the trees before far-reaching mountain views.
