CHALET VIRMADISA

CENTER, VERBIER

Chalet Virmadisa is an astounding residence perched in a secluded area within walking distance from the Savoleyres lift station. This luxury vacation rental offers the epitome of serenity embraced by extraordinary mountain views and pristine woodlands. Discrete and secluded, Virmadisa encapsulates the indulgent spirit of Verbier luxury living.

Romantic and warm, the cavernous common rooms present the epitome of ski lodge coziness. Rustic rough-hewn timber accents envelop the interiors, while exposed beam vaulted ceilings blend beautifully with chic deep-seated modern sofas. An intuitive and inviting layout navigates between an open-plan living area with a cozy fireplace, a formal dining area seating ten, and a fully equipped gourmet kitchen. Five exceptional bedrooms are zoned-out across the main Chalet and the neighboring mazot for maximum guest discretion and autonomy, accommodating up to ten adults. In contrast, an additional sixth bedroom features four bunk beds, perfect for kids. The beautiful dining space is a lovely congregation spot for larger groups. Brimming with top-notch amenities, Chalet Virmadisa has recreation and relaxation facilities, including a sauna, a jacuzzi bath, and a rain shower.

This home comes to its fullest expression with its gorgeous outdoor amenities. The therapeutic waters of the outdoor jacuzzi are poised before the dramatic panoramas, best enjoyed with a glass of bubbly in hand. An expansive terrace with loungers and outdoor dining sets this revered home apart as one of Verbier's premier luxury Chalet rentals. Moreover, the chalet is just 200 meters from the Savolyeres lift, offering exceptionally convenient access to the slopes. Two outdoor parking spaces add further convenience for guests arriving by car.
