YACHT JAAN 138

MOTOR 100-150FT, YACHTS

Yacht Jaan 138 is a motor yacht made in 1997 by luxury builder Intermarine SPA while her interior design and styling was handled by Studio Vafiadis. She was recently refitted in 2010. She travels at a top speed of 18 knots and cruises comfortably at 16 knots. She is fitted with stabilizers that keep movement to a minimum for the comfort of her guests whether underway or at anchor.

Jaan welcomes her guests within refreshing interiors. Her salon opens up to light cream fabrics contrasting the rich, dark wooden decor and makes the perfect place for entertaining friends and family within a round seating area. This room also extends into formal dining, including a long stretch of elegant wooden table for sharing laughs and catching up with guests over gourmet cuisine. She even offers a study next to her master cabin along with luxurious additions, such as jacuzzi tubs and onyx marble water basins the larger en suites for maximum relaxation. Jaan accommodates 12 charter guests in 6 cabins. The master cabin comes with a king bed and en suite bathroom, while the VIP cabin sports these as well as a jacuzzi tub. The two double cabins each have a queen bed, en suite bathroom, and a jacuzzi tub. The last two twin cabins on the lower deck feature showers, two single beds, and are convertible into a spacious stateroom via a sliding door. High up on her flybridge, Jaan holds expansive seating arrangements across oversized lounge areas for amazing sea views while sunbathing. The upper and main decks also complete the seaside dining experience with two options for comfortable table and chairs expanding into half-moon couch seating. At the stern, she hosts a long beach club for diving into the water, so guests can get up close and explore what lies below. Her crew of 9 ensures a smooth, safe, and comfortable experience throughout.

Aside from WiFi access, high-speed activities and tools for excursions, Jaan also offers a rush of excitement. She holds a Searay tender, Zodiac boat, Yamaha waverunner two-seater, and another Yamaha waverunner three-seater for adventuring across the surface. Towables such as a wakeboard, wakesurf, water skis, and tubes make the days thrilling for all. Or guests can opt to slow down the pace with a full list of fishing equipment, snorkeling gear for underwater tours, and canoes for floating atop shallow waters.

Yacht Jaan 138 is perfect for guests wishing to explore while enjoying the intimate comforts of luxurious accommodations, precise craftsmanship, and aesthetically brilliant furnishings.
