CHALET BANYA

ZERMATT, ZERMATT

Chalet Banya is an exquisitely catered Apline residence boasting awe-inspiring views over the iconic Matterhorn peak. Exceptionally poised, this vacation rental embodies the glamor and prestige of Swiss Alpine luxury living. Enjoy proximity to world-renowned ski slopes and delectable gastronomic and retail scenes of Zermatt village center. Guests may experience difficulty balancing adrenaline-pumping recreation with the vitality and epicurean zean of this revered resort town.

Exceptionally well-appointed interiors present the ultimate combination of ski chalet elegance and contemporary-chic panache. Soaring vaulted ceilings and timber beams curate a sense of verticality and airiness, accentuated by oversized glass and clerestory windows towards the balcony. A stunning collision of old and new manifests throughout the thoroughly modern floor plan. Refurbished period pieces harken to an authentic artisanal character, complementing the sleek dimension and contemporary precision of Banya's sculptural space. Evocative Impressionist prints and sketches embellish the home with pastoral romanticism, while a modern sectional and custom fireplace jettison the interiors to the 21st century. An inviting eat-in kitchen area is fully equipped with a sizeable table for eight to twelve guests between an eclectic selection of chairs and an Alpine-style breakfast banquette. Awe-inspiring Matterhorn views render casual eats and late-night suppers extraordinary from the luminous balcony-accessible dining areas. Three fantastic ensuite bedrooms are well-zoned out across the luxury rental's second floor, maximizing guest discretion, autonomy, and comfort.

This exceptional Chalet immerses guests in a world of bodily bliss with an extensive wellness area. State-of-the-art rejuvenation facilities include a 33' heated swimming pool with Matterhorn views, a sauna, shower, and equipped exercise area. Regular snow conditions allow guest to ski their way to the front door, rounding off an immaculate Zermatt vacation rental.

ZERMATT

Zermatt, an idyllic mountain village in the Swiss Alps, established itself as one of the most renowned world-class resorts. Dominated by the Matterhorn, a looming peak that has achieved almost mythical status as the ultimate Swiss landmark makes the village of Zermatt all the more enchanting. As a winter resort, it boasts an enviable snow record, superb skiing (lasting through early summer), stunning luxury ski chalets, and nightlife to match. Come summer, the four-thousand-meter summits attract many alpinists. There are hiking, cycling, climbing, and high-Alpine tours with views of Europe's highest two mountains – Mont Blanc and Monta Rosa. This combination of breathtaking scenery, top-class hospitality, and one of the highest ski areas in the Alps make Zermatt a dream destination all year round. A robust cultural itinerary keeps guests occupied, with ample museums and tours awaiting apres-ski downtime.
